“A Hint of Colour”

26th July - 5th September 2017

Is a display diverging from the black and white theme by just a touch, "A Hint of Colour" is sure to have a stunning impact! This exhibition of paintings by our members is the perfect opportunity to purchase a striking piece of artwork to add a great effect to your home. The Patchwork group's Paint Pot project is featured in our Annex and will be a colourful complement to our main exhibit. All items are for sale. Come in and browse our unique handmade items such as jewellery, pottery, knitted goods, cards, bonsai, fusion, spinning & weaving, woodwork & mosaics.

The patch workers are creating small items emulating paint swatches; you may find the perfect match for your decor.
