The patch workers are having a friendship morning tea on Tuesday 27 Nov. Everybody is welcome.

Our Monday group has stayed at about the same level for a very long time. We unfortunately have lost a couple of valued members along the way due to health but also gained new ones. Anyone out there who would like to join us with any craft, and there is help for those who would like to learn the basics of some of the crafts and of course the friendship is great as we try to solve the problems of the world.

Our Christmas luncheon is at the Salt, Fingal Bay this year on the 10th Dec.
