## FOR YOUR INFORMATION

At our December Board of Management Meeting a request was approved for our "Card Making Group" to be known as the PSCAC "Papercraft and Card-making Group" and that sales tags for cards, paper tole and quilling be identified as "Papercraft". This has resulted from the group extending their creative skills with paper and card further than just creating cards.

New sales tags have been created for all 'Papercraft' people and have been placed in the concertina file for collection.

It would be appreciated if all sales desk duty people would remember to sweep the front path if littered with leaves and ensure that bathroom areas are clean and hygienic. If they are not (and this happens on very few occasions) products and equipment can be found in the cupboard going into the old toilet for your use to make them so.

Friendly interaction with customers and professional service is a must. This leaves a positive lasting experience with our visitors. Please keep up the good work.

Mo Godbeer has booked the Westralia Room for an encaustic (painting with beeswax) workshop on the 18 & 19 May 2019. Information pamphlets are on the painters notice board however as this is not an inhouse workshop all enquiries or booking must be made direct with Mo 0412 817 651.

Want to chill out .... Robyn Bailey is starting a TAI CHI session. It will be held every Thursday afternoon 1 - 4pm in the Westralia Room. Starting 31st January. You are welcome to come along or ring Robyn 0424 422 539 for further information.

Preliminary Notice is given for our March 2019 General Meeting, to be held at our Arts Centre in the Westralia Room at 11am on Tuesday the 12th March.

Please forward any agenda items you wish addressed at this meeting to your Secretary at [bruce\\_killen8@bigpond.com](mailto:bruce_killen8@bigpond.com) on or before Friday the 20th February.

ROOM 3 - SPRING CLEAN will take place early in March..... any items not identified with a tag noting ownership..... will be removed forever. Please check if you have previously tagged items to ensure the tags are still in place.

That's all folks,  
Your Secretary – Robyn
